

MACHINE IDENTIFICATION

Frame serial number

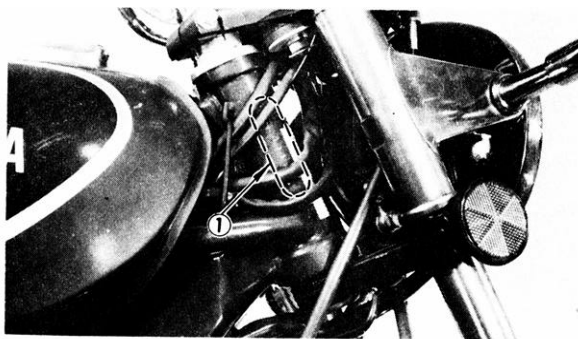

The frame serial number is stamped on the right side of the steering head pipe.

Engine serial number -

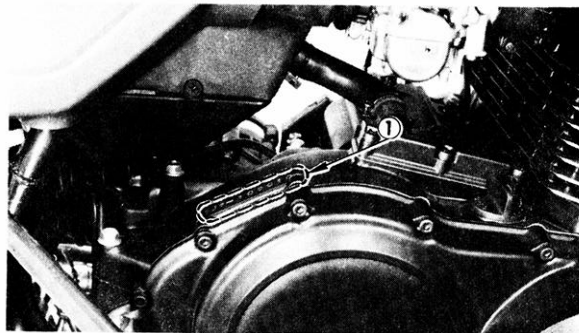

The engine serial number is stamped into the elevated part of the right rear section of the engine.

NOTE: — _____

The first three digits of these numbers are for model identifications; the remaining digits are the unit production number. The frame and engine numbers are usually identical but they may sometimes be 2 or 3 numbers apart.

1. Frame number

1. Engine number
